

Send a Special Message Or Place an Ad in the Program

Please return this form to Miss Gold by the date announced in class.

Dear Vocal Music Parents,

Here is a wonderful opportunity for you to send a special message to your son or daughter, or place an ad, in the Winter and/or Spring Concert printed programs. This year we will be raising funds for our vocal music program by offering our music parents the chance to put messages and/or place business ads in the performance programs.

Parent volunteers will coordinate and photocopy the ads for the Winter and/or Spring Concert programs. Committee members will use a scanner or photocopy ads to make them the proper size dimensions. Or if you prefer you can have the committee make an ad for you using your words and their design expertise. Please fill out the form on the next page to purchase an ad.

Sincerely,
Miss Gold
